

ReadyWrap® Foot CT **NEW**

Now available on NHS Supply Chain
Available on Drug Tariff from 1st October

- Highly adjustable design which allows great contouring of the foot and ankle
- Adjustable straps contour comfortably around the dorsum of the foot and ankle - ideal for moderate to severe oedema
- Provides higher containment for dorsum swelling
- Colour coding and finger grips – easy to apply
- Choice of regular or long length – offering flexibility for patients with longer feet
- Left/Right specific
- Available in Beige or Black
- Addition of XXL size – accommodates larger ankle circumference
